## Admission & Application Requirements

Applicants seeking admission to the Master of Information Systems in Health Management should have a bachelor's degree from a recognized university with a strong academic record (minimum 3.0 GPA or equivalent) in any of the following areas: computer science, information systems, computer engineering, or health and medical fields. Applicants from other backgrounds with relevant work experience may also be considered. Applicants with prior research experience are preferred.

Applicants are required to submit an IELTS score of 6.5 or a TOEFL score of 79 to demonstrate their proficiency in English. Applicants can be exempt from this requirement if they meet one of the conditions listed below:

- The applicant completed their studies at a university in a country where English is the native language
- The applicant provides an official letter confirming that they obtained their degree from a university where the medium of instruction is English (if not otherwise exempt)
- The applicant's first language is English

While the GRE is not required for admission, a strong GRE score will help strengthen the applicant's admission material.

## Application

The online application form can be accessed [here](#).

Please note that this application is for admissions only. Information on how to apply for funding (where this is an option) is provided to students who have been admitted to the program.

It is the applicant's responsibility to submit all required documents at the time of application. Incomplete applications will not be considered.

## **Academic transcripts**

Official electronic copies of transcripts should be submitted as part of the online application. Final transcripts and graduation statements are required for all previous university studies. All transcripts submitted should include an explanation of the grading system.

For those who have not completed their current studies, transcripts must include results from the last completed semester of coursework. Transcripts in languages other than English or Arabic must be accompanied with an official translation.

Applicants who are admitted to the program based on copies of or incomplete transcripts will be required to provide original transcripts upon enrollment in order to register for courses.

## **Standardized test results**

Official copies (where required) must be sent directly to HBKU. Please refer to the institutional codes below:

- GRE: 7551
- TOEFL: 4981
- IELTS: No code required. Students should ask the IELTS center where they tested to send the IELTS TRF to Hamad Bin Khalifa University

Applicants should also submit copies of their test scores with the online application.

## **Letters of recommendation**

Applicants should submit two letters of recommendation, one of which must be from an academic referee. Referees should send their letters of recommendation from their professional email directly to and mention the name of the applicant and program they are applying to in the subject line of the email.

Letters which are not directly written for this program or which are incomplete will not be accepted.

## **Personal statement of interest**

Applicants should submit a personal statement as part of the online application. The personal statement should explain why the candidate is applying to the program and how their studies will contribute to the achievement of their personal objectives including information about the applicant's research interests and achievements (minimum of 300 words, maximum of 500 words).

## **Resume/curriculum vitae**

Applicants should submit a copy of their current resume or curriculum vitae as part of the online application. This should include the following information:

- Academic qualifications
- Professional experience
- Publications
- Research projects
- Academic awards or honors
- Conference presentations

## **Identification document**

All applicants should submit an electronic copy of their passport as part of the online application. Nationals and residents of Qatar should also submit their valid Qatari ID.

## **Student funding**

The College of Science & Engineering provides opportunities for scholarships/funding on a competitive basis. Further information will be provided to applicants who are admitted to the program.
