Admission & Application Requirements

Applicants seeking admission to the Bachelor of Science in Computer Engineering should have a strong high school academic record with evidence of advanced coursework in math and science. Applicants are required to take the IELTS or TOEFL exam in order to demonstrate their proficiency in English. Applicants are also required to take the SAT or ACT exam.

Application

Admission for the Bachelor of Science in Computer Engineering for the 2019-2020 academic year is now closed. For information about applying for the 2020-2021 academic year, please continue to monitor this site as we will post information in a few months.

Academic transcripts

Final transcripts of all high school years (grades 10, 11 and 12) which are available at the time of application. Applicants who have completed high school and are currently enrolled in university should include their academic records from both high school and university. Transcripts in languages other than Arabic or English must be accompanied with an official translation.

Applicants who are admitted to the program will be required to submit all original transcripts and test scores to the [Office of Student Recruitment](#).

Standardized test results

Official copies of standardized test results must be sent directly to HBKU. Please refer to the institutional codes below:

- SAT: 7675
- ACT: 7019
- TOEFL: 4981
- IELTS: No code required. Students should ask the IELTS center where they tested to send the IELTS TRF to Hamad Bin Khalifa University.

Applicants should also submit copies of their test scores with the online application.

Letters of recommendation

Two recommendation letters, including one from the school counselor and one from a math or science teacher. The referees should email their recommendation letter from their professional email to:

Personal statement of interest

Applicants should submit a personal statement as part of the online application. The personal statement should explain why the student is applying for the undergraduate major in Computer Engineering and how this will contribute to their future goals (minimum 300, maximum 500 words).

Personal statements which are incomplete or below the minimum word count will not be accepted.

Resume/curriculum vitae

Applicants should submit the resume or CV as part of the online application, including academic and extracurricular achievements such as honors, awards, leadership, volunteer work, athletic involvement or any other relevant activities. Applicants are highly encouraged to mention hobbies and personal talents as well.

Identification document

All applicants should submit an electronic copy of their passport as part of the online application. Nationals and Residents of Qatar should also submit their Qatari ID.

Please do not submit any additional application materials which are not on the list of required items. Any additional materials received will be automatically discarded.

HBKU cannot return documents to the applicant once they are submitted.

All documents submitted through the online application must be in PDF format. Any documents submitted in a different format will not be accepted.
