HBKU Showcases Graduate Programs and Employment Opportunities at Education City Career Fair 2019

10 Feb 2019

Hamad Bin Khalifa University (HBKU), a member of Qatar Foundation, introduced the Education City community

to its graduate programs and employment opportunities during the Education City Career Fair 2019, held at Multaqa (formerly Education City Student Center) from February 5 to 6. The annual Education City Career Fair enables students and alumni to meet with representatives from organizations spanning numerous industries to discover the career paths and prospects available to them. During the event, attendees met with potential employers from the aviation, banking, media, education and research, management consulting, oil and gas, sports, technology, and telecommunications sectors, who were on hand to answer industry-specific questions and offer career guidance. In addition, attendees had a chance to explore career opportunities offered by Qatar Foundation's international partner universities.
