

Best Poster Award

The **ICSEWEN23** Best POSTER Award Competition recognizes and honors the three best posters accepted and presented at the International Conference on Sustainable Energy Water and Environment Nexus in Desert Climates (ICSEWEN23), Qatar Environment and Energy Research Institute's (QEERI) flagship conference, which will be held on 30 October to 2 November 2023.

Purpose

The Best Poster Award aims to recognize and promote high-quality industrial and academic research contributions accepted and presented at the ICSEWEN23 conference.

Award Guidelines and Criteria

The judges will evaluate the presentations and the top three posters will be selected based on the following criteria:

- ☐ Novelty and Originality
- ☐ Innovation
- ☐ Clarity and Organization
- ☐ Visual Design
- ☐ Quality of Research
- ☐ Scientific Impact and Significance
- ☐ Responses to questions

First, second, and third place winners are selected by the judges and announced during the closing conference ceremony. Judges' decision is final.

Eligibility

All technical poster submitted and accepted to the ICSEWEN23 conference are eligible for the Best Poster Award Competition. To be eligible for the award, the winners must be registered for the conference.

Exclusions

The poster authored or co-authored by the conference organizers are not eligible for this award competition.

Prizes

- ☐ First place – 3000 QAR
- ☐ Second place – 2000 QAR
- ☐ Third place – 1000 QAR
- ☐ Recognition certificates
- ☐ Competitions results will be announced and posted on the conference website.
