5.2 **Conflict of Interest**

Conflict of interest (COI) exists when there is a close personal, familial, business or professional relationship, or there is a conflict between a member’s role on the committee and their position within the University.

- Committee members are required to identify and declare any actual, potential or perceived conflict of interest that may arise in respect of any item on the agenda.

- When an interest is declared, the Chair may resolve that the member:
  - Leaves the meeting during the debating of the item;
  - Stays in the meeting, but does not participate in the debate or decision;
  - Can participate in the discussion, but not vote on the matter under consideration;
  - Retains the full debating and voting rights concerning the item of business.

- If the Chair declares an interest, the deputy chair or a member nominated by the Chair shall serve as the chair during the discussion of the item of business.

- All declarations of COI will be recorded in the minutes.

5.3 **Quorum and Decision-making**

- A minimum of two thirds of the committee membership is required to make decisions. The quorum must include a minimum of half the college members.

- A simple majority vote of the present members is sufficient to pass any resolution if there is quorum.
5.4 Frequency of Meetings
The Committee meets periodically during the regular semesters at a rate of once a month, unless additional or fewer meetings are needed as determined by the Provost.

5.5 Proxies
Members of the Committee are entitled to send proxies to meetings. Proxies can participate in discussions; however, only College proxies have a role in decision-making. Committee members will inform the Chair as soon as practicable if they intend to send a proxy to a meeting and no less than two business days prior to the scheduled meeting.

6. EVALUATION AND REVIEW
To ensure it is fulfilling its objectives, the Committee will:

- Conduct a biennial review and assessment of its performance against the Terms of Reference
- Review the Terms of Reference (at least once every two years) and recommend appropriate amendments to the Provost if required.
